SOCIAL Media

Our flexible digital solutions allow you to easily and quickly incentivise and take your brand or event to the masses on social media.

Tell us about your event and goals; we'll gladly provide a solution for you.

Take your event FAR BEYOND the printed photo!

Event LANDING PAGE

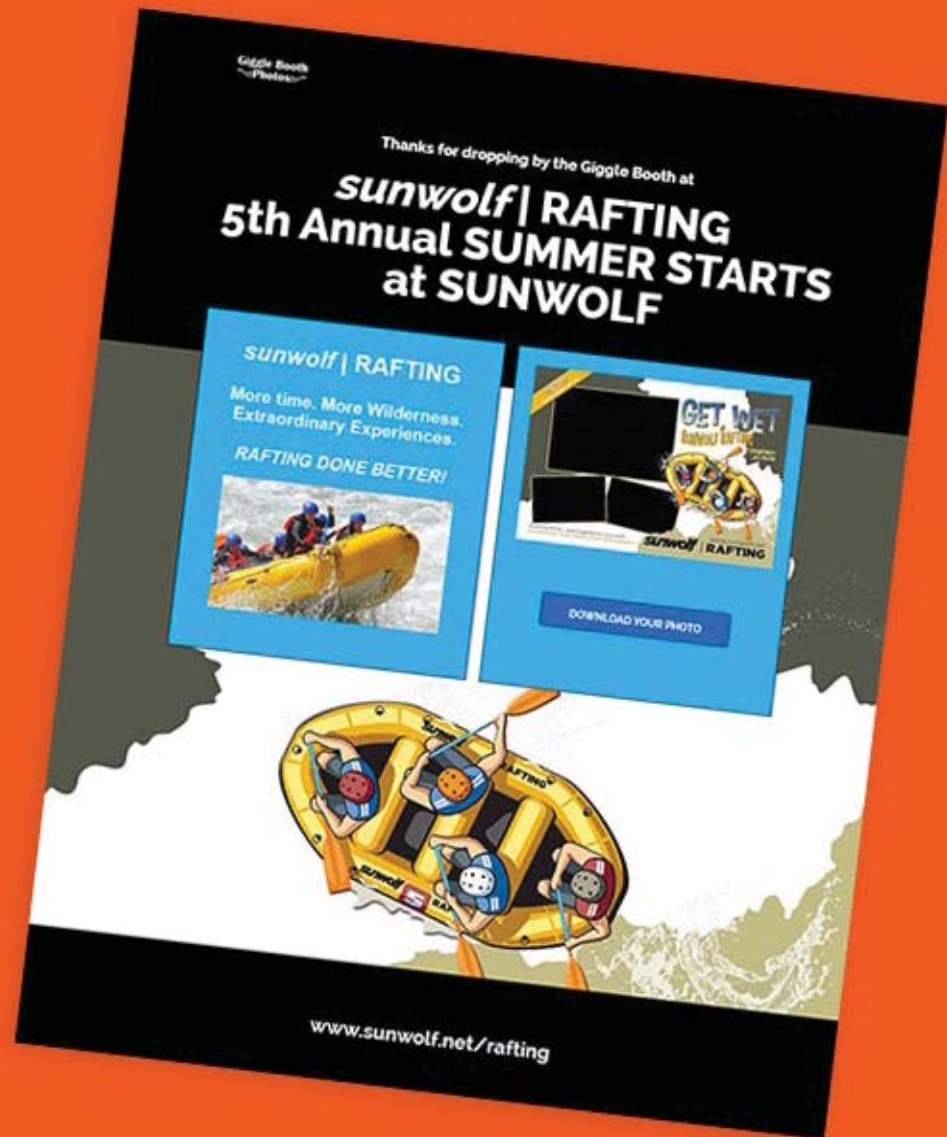

Landing pages give another level of engagement with your guests.

This is the page where guests collect their digital photo file.

The pages are very versatile with endless possibilities.

Examples include incentivising guests to share photos, sponsor adverts, email sign up forms, link throughs and contests.

Use your imagination and get creative!

Email sign ups, surveys, prize draws, promotional adverts, announcements and so much more!
